MEMORANDUM

Lieutenant Governor's Office

From: Lanny Erdos, Chief *LE*
ODNR, Division of Mineral Resources Management

Date: June 2, 2016

Subject: CSI Review – 2015 Industrial Minerals Rules

Thank you for your thorough review and analysis of the Division of Mineral Resources Management's (DMRM's) 2015 industrial minerals rules. The Common Sense Initiative (CSI) review memorandum states that the standards espoused by the CSI Office have been met, the adverse impacts of the draft rules and amendments are justified and, as CSI has no recommendations regarding these rules, the Ohio Department of Natural Resources may proceed with their formal filing.

At this time, it is DMRM's plan to move forward with the original filing of these rules with the Joint Committee on Agency Rule Review. If you have any questions, please contact Ann Laubach at 614-265-1092 or Brock Miskimen at 614-265-6885.
