RE: CSI Review – Five Year Rules Package

Dear Ms. Eckstein:

This correspondence will acknowledge receipt of your memorandum reviewing the Business Impact Analysis (BIA) we submitted for twenty-three rules for review under statutory five-year rule review requirement. On behalf of the Board, I have completed our review of your final recommendations, in which no additional changes to the rules were proposed.

We will proceed to file the proposed rules with the Joint Committee on Agency Rule Review (JCARR). We anticipate scheduling a formal rules hearing during our board meeting on October 28, 2016, with an effective date planned shortly thereafter.

We appreciate the opportunity to work with you and Mr. Mark Hamlin on this rules package. We look forward to working with your office again in the near future.

If there are any questions, please feel free to let me know.

Sincerely,

Gregg B. Thornton, Esq.
Executive Director
