RE: CSI Review – Online Processing (OAC 4779-5-03, 4779-6-01, 4779-8-01, and 4779-12-01)

Thank you for your no-changes recommendation dated August 26, 2016.

The Board has already provided approval to move forward with the package after further review and consideration at its meeting held April 19, 2016.

We will thus complete the formal filing and prepare for public hearing and completion of the JCARR process.

Thank you for your kind assistance in this regard.

Respectfully,

Mark B. Levy
Board Director
