The Common Sense Initiative was established by Executive Order 2011-01K and placed within the Office of the Lieutenant Governor. Under the CSI Initiative, agencies should balance the critical objectives of all regulations with the costs of compliance by the regulated parties. Agencies should promote transparency, consistency, predictability, and flexibility in regulatory activities. Agencies should prioritize compliance over punishment, and to that end, should utilize plain language in the development of regulations.

Regulatory Intent

1. Please describe in plain language the regulation that is being rescinded.

The regulation being rescinded is the licensing and inspection of manufactured home park rules in Chapter 3701-27. The licensing and inspection of manufactured homes is now in Chapter 4781-12 of the Ohio Administrative Code.

2. Why is the regulation being rescinded?

77 South High Street | 30th Floor | Columbus, Ohio 43215-6117
CSIOhio@governor.ohio.gov

The original legislation ORC 3733.02 was repealed and renumbered to ORC 4781.26 in 2012.

- 3. Please describe in general terms the adverse impacts to business, including currently impacted industries, in the existing rule(s).**

The existing rules are no longer effective as the authority for licensure and inspection was transferred to the Ohio Manufactured Homes Commission on June 11, 2012 via HB 487, 129th General Assembly.

- 4. Are there other regulations (either existing or to be created) which will replace the regulation being rescinded or which will now apply because this regulation is being rescinded? This can include rules, statute, federal regulations, agency policies, or industry standards etc.**

Chapter 4781-12 is in effect and replaces OAC 3701-27.

- 5. Does the rescission of this regulation eliminate flexibility or create more adverse impacts for stakeholders? If yes, please describe stakeholder outreach and justify the impacts.**

No, this rescission just removes Chapter 3701-27 from the Ohio Administrative Code.
