Ms. Kaylor:

The Ohio Board of Embalmers and Funeral Directors acknowledges receipt of a memorandum from the Common Sense Initiative Office of Ohio containing an analysis, recommendation, and conclusion regarding the above mentioned five-year review administrative rules package.

The Ohio Board of Embalmers and Funeral Directors (OBEFD) appreciates the Common Sense Initiative (CSI) Office's evaluation of economic impact of the agency's regulations on Ohio businesses. The two offices concur that simple, effective regulation promotes a balance between public safety and economic development.

OBEFD agrees with the CSI Office analysis, recommendation, and conclusion and will execute the necessary changes to its rules package as identified in the analysis. Upon corrections, OBEFD will proceed with submitting the proposed rules package to the Joint Committee on Agency Rule Review (JCARR).
