Thank you for your recent review of the Ohio Administrative Code rules in the referenced ERF package. The Ohio Department of Medicaid will refile new rule 5160-13-01 to delete the following sentence from paragraph (B)(1)(b) of proposed rule 5160-13-01: "It is not necessary that a fixed location be administered by a physician or dentist." The Ohio Department of Medicaid deleted this language because it was confusing. Our intent is to have clear and streamlined rule language.

Because you had no recommendations regarding this rule package, the Ohio Department of Medicaid will continue with the process of filing it with the Joint Committee on Agency Rule Review (JCARR).

Please contact the Ohio Department of Medicaid if you have any questions or concerns with the refiling of this rule.
