## The Common Sense Initiative

### Business Impact Analysis

**Agency Name:** OHIO DEPARTMENT OF AGING

**Package Title:** BACKGROUND CHECKS

**Rule Numbers:** OAC Chapter 173-9 and 173-14-14

**Date:** March 2, 2017, Revised April 14, 2017

**Rule Types:**

- ☒ 5-Year Review
- ☐ Rescinded
- ☐ New
- ☒ Amended
- ☐ No change

The Common Sense Initiative was established by Executive Order 2011-01K and placed within the Office of the Lieutenant Governor. Under the CSI Initiative, agencies should balance the critical objectives of all regulations with the costs of compliance by the regulated parties. Agencies should promote transparency, consistency, predictability, and flexibility in regulatory activities. Agencies should prioritize compliance over punishment, and to that end, should utilize plain language in the development of regulations.

#### Regulatory Intent

**1. Please briefly describe the regulations in plain language.**

*Please include the key provisions of the regulation as well as any proposed amendments.*

#### OVERVIEW

Currently, OAC Chapter 173-9 requires responsible parties to conduct background checks when considering hiring applicants or retaining employees in ombudsman positions or direct-care positions. ODA is proposing to amend the chapter to remove ombudsman language from the chapter, thereby leaving the chapter for just direct-care positions.

OAC173-14-14 is not subject to CSIO review, but is included in this business impact analysis because it is part of the same rule package.

#### SPECIFIC AMENDMENTS

ODA proposes to transfer all requirements in Chapter 173-9 related to ombudsman positions into OAC173-14-14.

ODA also proposes to add "~~Background checks for direct-care positions:~~" "Background checks: paid direct-care positions" to the beginning of each rule title. ODA's analysis of its website usage indicates the vast majority of people downloading copies of our rules do so by using search engines to find the rule. Giving the rules a chapter-like beginning to each title should make searching for our rules easier.

ODA also proposes to make non-substantive amendments to improve the rules.

**4. If the regulation includes provisions not specifically required by the federal government, please explain the rationale for exceeding the federal requirement.**

ODA is not exceeding any federal requirements.

**5. What is the public purpose for this regulation (i.e., why does the Agency feel that there needs to be any regulation in this area at all)?**

The rule exists to comply with the state laws ODA listed in its response to BIA question #2.

**6. How will the Agency measure the success of this regulation in terms of outputs and/or outcomes?**

ODA monitors its designees for compliance.

**Development of the Regulation**

**7. Please list the stakeholders included by the Agency in the development or initial review of the draft regulation.**

*If applicable, please include the date and medium by which the stakeholders were initially contacted.*

On March 2, 2017, ODA emailed the Ohio Association of Senior Centers, the Ohio Association of Area Agencies on Aging, LeadingAge Ohio, Ohio Health Care Association, Ohio Council for Home Care and Hospice, Catholic Social Services of the Miami Valley, Ohio Association of Medical Equipment Suppliers to (1) announce that ODA intends to amend OAC Chapter 173-9 to transfer ombudsman-position language to OAC173-14-14 and to start each rule title with "Background checks for direct-care positions"<sup>1</sup>, (2) solicit their comments on (1), and (3) solicit their suggestions for improving the chapter.

**8. What input was provided by the stakeholders, and how did that input affect the draft regulation being proposed by the Agency?**

To the March 2, 2017 email, ODA received the following responses.

COMMENTS	ODA's RESPONSES
<p><b>In General</b></p> <p>We are in complete agreement with separating the ombudsman position from the direct care worker position.</p> <p><i>An AAA via Ohio Association of Area Agencies on Aging</i></p>	
<p><b>In General</b></p> <p>We agree that separating the ombudsman from OAC Chapter 173-9 would be a good thing. It would not only shorten the existing rules, but we believe it would make it less confusing for service providers to determine what applies to them.</p> <p>When changes are made, will you be changing the term "consumer" to "individual" in the revised rule?</p> <p><i>An AAA via Ohio Association of Area Agencies on Aging</i></p>	<p>Although ODA has been replacing <i>consumer</i> with <i>individual</i> in certain rules in OAC Chapter 173-9 in the past few years, ODA must continue to use <i>consumer</i> in this chapter. ORC §§ 173.38 and 173.381 use <i>consumer</i>. Additionally, OAC Chapters 173-3, 173-4, and 173-14 use <i>consumer</i> and those chapters require the background checks required in these rules.</p>

<sup>1</sup> ODA later determined to use "Background checks: paid direct-care positions."

COMMENTS	ODA's RESPONSES
<p><b>173-9-04(B)(2)(a)(iii)</b> Question: Why doesn't the agency employee section include the same info as in the ombudsman section as follows?</p> <p>(B)(2)(a)(iii) Less-than-five-year schedule: The responsible party may conduct criminal records checks on an employee more frequently than every five years. If the responsible party checks more frequently than every five years, the responsible party is not required to conduct criminal records checks according to the five-year schedules. <u><b>If a responsible party complies with the requirements for rapback, the responsible party is conducting criminal records checks on a daily basis, which is a less-than-five-year schedule.</b></u></p> <p>Question: If the underlined section is added to the agency employee section, how often does the agency need to check the exclusionary databases? Not at all?</p> <p>Thank you for giving us the opportunity to review the ODA background check rules.</p> <p><i>Beth Foster, Ohio Council for Home Care &amp; Hospice</i></p>	<p>ODA has amended the rule in a way that now includes the "rapback" clarification for direct-care positions.</p> <p>Enrolling in rapback involves also enrolling in ARCS. Responsible parties enrolling employees in ARCS and rapback will have ARCS and rapback review databases and check criminal records for their enrolled employees on a daily basis.</p>
<p><b>173-9-07.1</b></p> <p>LeadingAge Ohio feels the changes you are suggesting will be helpful and we are in agreement with them.</p> <p>The only question we had was in first paragraph of rule 173-9-07.1 <i>Certifying or entering into a provider agreement with a self-employed provider who has a disqualifying offense on his or her criminal record</i> is a bit confusing but we got the point after several readings. We weren't sure if the language in the first paragraph would be read easier if (A) – (D) were bulleted? It is just a bit confusing.</p> <p><i>Anne Shelley, LeadingAge Ohio</i></p>	<p>Because actual paragraphs (A) to (D) are bulleted, today's Rule Authorizing Software (RAS3.0) does not allow bulleting the references to paragraphs (A) to (D) under the introductory paragraph.</p>

**9. What scientific data was used to develop the rule or the measurable outcomes of the rule? How does this data support the regulation being proposed?**

Since January 1, 2013, ODA and the Depts. of Developmental Disabilities, Health, and Medicaid have based the periods of disqualification found in rules 173-9-07, 173-9-07.1, and 173-14-14 on the following research:

- Blumstein, A., and K. Nakamura, *Redemption in the Presence of Widespread Criminal Background Checks*, CRIMINOLOGY, Vol., 47, 327-359, (May, 2009). See also, <http://www.nij.gov/journals/263/redemption.htm> (last viewed on March 24, 2017). Blumstein and Nakamura also made a presentation of their research to the Ex-Offender Re-Entry Coalition on September 16, 2010. State staff on this project attended the presentation.

**10. What alternative regulations (or specific provisions within the regulation) did the Agency consider, and why did it determine that these alternatives were not appropriate? If none, why didn't the Agency consider regulatory alternatives?**

ODA did not consider any alternative regulations. The rules must comply with ORC §§ 173.27, 173.38, or 173.381. Additionally, to provide employers in community-based long-term care with the same background-check standards in Ohio, ODA continues to maintain the requirements the Ohio Depts. of Aging, Developmental Disabilities, Health, and Medicaid agreed upon for our rules beginning on January 1, 2013.

**11. Did the Agency specifically consider a performance-based regulation? Please explain.**  
*Performance-based regulations define the required outcome, but don't dictate the process the regulated stakeholders must use to achieve compliance.*

On one hand, ORC §§ 173.27, 173.38, or 173.381 require background checks regardless of the performance of the employer. On the other hand, the same statutes allowed ODA to adopt language allowing employers to hire applicants (or retain employees) with disqualifying criminal records if the applicant (or employee) meets the conditions detailed in OAC173-9-07, 173-9-07.1, or 173-14-14(C)(6).

**12. What measures did the Agency take to ensure that this regulation does not duplicate an existing Ohio regulation?**

ORC §§ [173.27](#), [173.38](#), [173.381](#), [173.391](#), and [173.392](#) only authorize ODA (*i.e.*, not any other state agency) to develop these rules.

**13. Please describe the Agency's plan for implementation of the regulation, including any measures to ensure that the regulation is applied consistently and predictably for the regulated community.**

Before the rules would take effect, ODA will post them on ODA's [website](#). ODA also sends an email to subscribers of our rule-notification service to feature the rules.

Through its regular monitoring activities, ODA and its designees will monitor providers for compliance. OAC [173-39-02](#) requires all providers to allow ODA (and its designees) to monitor.

### **Adverse Impact to Business**

**14. Provide a summary of the estimated cost of compliance with the rule. Specifically, please do the following:**

**a. Identify the scope of the impacted business community;**

**OAC Chapter 173-9:** Responsible parties subject to this rule are those who provide direct care to consumers through ODA-administered programs. They are responsible for checking the backgrounds of applicants and employees unless exempted by statute or rule (cf. OAC173-9-02). Responsible parties provide many types direct care, including the following:

- |                                   |                                       |

**b. Identify the nature of the adverse impact (e.g., license fees, fines, employer time for compliance); and**

The direct adverse impacts are fees. There indirect adverse impacts are lost jobs and administrative expenses.

**c. Quantify the expected adverse impact from the regulation.**

*The adverse impact can be quantified in terms of dollars, hours to comply, or other factors; and may be estimated for the entire regulated population or for a “representative business.” Please include the source for your information/estimated impact.*

The direct adverse impacts are the \$22 fees that each responsible entity (*i.e.*, employer) pays to the Bureau of Criminal Investigation plus the impression costs that go to the fingerprint takers (*e.g.*, license agency, county sheriff's office, city police). For example, the Ohio Attorney General's online WebCheck® locator says that the Columbus Police Department charges \$42 for a criminal records check, which is \$22 for BCII plus \$20 for the the police department.<sup>2</sup>

**15. Why did the Agency determine that the regulatory intent justifies the adverse impact to the regulated business community?**

Ensuring the safety of consumers receiving goods and services through ODA-administered programs outweighs the costs associated with checking the backgrounds of paid applicants and employees who would (or already do) provide goods and services to the consumers.

Additionally, ORC§§ [173.27](#), [173.38](#), and [173.381](#) require ODA to adopt the rules.

### **Regulatory Flexibility**

**16. Does the regulation provide any exemptions or alternative means of compliance for small businesses? Please explain.**

The rules treat all responsible parties the same, regardless of their size.

**17. How will the agency apply Ohio Revised Code section 119.14 (waiver of fines and penalties for paperwork violations and first-time offenders) into implementation of the regulation?**

ORC§[119.14](#) establishes the exemption for small businesses from penalties for first-time paperwork violations. ORC§119.14 does not override providers' need to conduct background checks pursuant to ORC§§ [173.27](#), [173.38](#), and [173.381](#).

**18. What resources are available to assist small businesses with compliance of the regulation?**

ODA does not discriminate between responsible parties based upon the size of their business or organization. Providers regulated by OAC Chapter 173-9 are typically small businesses according to ORC§119.14. ODA (and its designees) are

available to help providers of all sizes with their questions. Any person may contact [Tom Simmons](#), ODA's policy development manager, with questions about the rule.

Additionally, ODA maintains an [online rules library](#) to help responsible parties find rules regulating them. Responsible parties may access the online library 24 hours per day, 365 days per year.

(b) When to check criminal records:

(i) Applicants (pre-hire): The responsible party shall conduct a criminal records check on each applicant.

(ii) Employees (post-hire): According to one of the following three schedules, the responsible party shall conduct a post-hire criminal records check on each employee at least once every five years:

The reverification of the criminal record has the same validity as the criminal records received during the past year.

  - (g) Forms: Unless the applicant or employee follows the procedures that BCII established in rule 109:5-1-01 of the Administrative Code for providing fingerprints electronically and requesting criminal records electronically, the responsible party shall complete the following two tasks:

hire the applicant until the applicant provides his or her fingerprints to a "WebCheck" vendor.

(i) The responsible party received criminal records from BCII before the sixty-day period ended and the criminal records from BCII did not list a disqualifying offense.

(ii) The responsible party received criminal records from BCII before the sixty-day period ended and the criminal records from BCII listed a disqualifying offense, but the terms of paragraph (C)(6) of this rule would allow the responsible party to hire the applicant, and the responsible party would be willing to hire the applicant under the terms of paragraph (C)(6) of this rule if the forthcoming criminal records

from the FBI would not prohibit the responsible party from doing so.

(ii) Disqualifying offense on record: The responsible party shall release the conditionally-hired applicant if the applicant's criminal record lists a disqualifying offense, unless the responsible party is able and willing to hire the applicant under the terms of paragraph (C)(6) of this rule. (iii) Deception: If a conditionally-hired applicant made any attempt to deceive the responsible party about his or her criminal record, the attempt is just cause for the responsible party to release the conditionally-hired applicant.

(c) Hiring released applicants: If a responsible party released a conditionally-hired applicant to comply with the sixty-day limit in paragraph (C)(4)(a) of this rule, the responsible party may resume hiring the released applicant after the responsible party receives the criminal records if either one of the following two conditions exist:

(i) The applicant's criminal record does not list a disqualifying offense.

(ii) The applicant's criminal record lists a disqualifying offense, but the responsible party is able and willing to hire the applicant under the terms of paragraph (C)(6) of this rule.
