From: Howard Henry
Staff Counsel
Ohio Department of Mental Health and Addiction Services

Date: January 6, 2017 **Amended May 22, 2017**

Subject: CSI Review – Residential Facilities (OAC Chapters 5122-30, 5122-33, and 5122-35; and Rules 5122-31-01 and 5122-31-02)

Amended – The Department of Mental Health and Addiction Services has final filed all rules in this package with an effective date of January 1, 2018. However, because of technical problem in either the Rule Authoring Software or the Electronic Rule Filing system, paragraph (N) of rule 5122-30-14 was made blank when the rule was prepared for filing. This was unnoticed by both the Department and LSC prior to final filing. The most expedient solution is for the Department to refile the rule with a correction. No content from the rule which has been reviewed and recommended for filing by the CSI Office is being changed.

Thank you for your recent review of the rules process for Ohio Administrative Code Chapter Rules 5122-30, 5122-33, and 5122-35; and Rules 5122-31-01 and 5122-31-02. Based upon your recommendation for no change to the rules, the Ohio Department of Mental Health and Addiction Services will proceed with the formal filing of this rule package with the Joint Committee on Agency Rule Review.
