MEMORANDUM OF RESPONSE

ODA PROVIDER CERTIFICATION: ENHANCED COMMUNITY LIVING

To: Travis Butchello, Regulatory Policy Advocate, CSIO
Emily Kaylor, Director of Regulatory Policy, CSIO

From: Tom Simmons, Policy Development Manager

Date: August 9, 2017

Thank you for reviewing ODA's proposed amendments to OAC173-39-02.20.

Because CSIO recommended proceeding without further amendments, ODA will file the rule with JCARR to begin the legislature's portion of the rule-review process.

Thank you for your work.
