SUBJECT: CSI Review – Other Licensed Provider Rules Refile

DATE: August 25, 2017

The Ohio Department of Medicaid intends to refile the rules in the Other Licensed Provider rule package. Revised language reflects feedback received from stakeholders and clarification of existing policy language. The changes to the rule will not create additional adverse impact on business.

The proposed revisions impact OAC rule 5160-8-05. Since the previous filing the proposed revisions include changes as follows:

- Change of existing language to improve clarity
- Grammatical changes
- Change in the source of provider payment rate information from OAC 5160-1-60 to a new appendix to OAC 5160-27-03.
