RE: Do Not Resuscitate (OAC Chapter 3701-62)

DATE: November 28, 2018

Thank you for permission to go forward with Original Filing O.A.C. Chapter 3701-62 with JCARR. This rule package consists of nine amended rules, four rescinded and replaced rules, and one no-change rule. The rule package was submitted to the CSI Office on September 11, 2018, and the comment period ended on October 11, 2018. Eleven comments were received during that time. ODH issued responses to all of the comments and provided them to the CSI office throughout the process. Along with CSI's recommendation to proceed with the filing, the Ohio Public Health Advisory Board (OPHAB) voted on October 12, 2018 to recommend the Director's approval of the rules.
