Subject: Memorandum Of Response

This is a memorandum in response to the review of the Ohio Department of Commerce's draft rule package addressing changes to O.A.C. 3796 specifically amendments to O.A.C. 3796:2-1-06, 3796:2-2-03, 3796:3-2-03, 3796:4-2-06, 3796:5-2-01, 3796:5-6-01, and new rule O.A.C. 3796:5-6-04.

Thank you for the comprehensive analysis; concluding that the Common Sense Initiative did not have any recommendations and the Ohio Department of Commerce may move forward with filing the rule package to the Joint Committee on Agency Rule Review (JCARR). It is the Department's intention to move forward with filing to JCARR soon.
