Re: Response to July 2, 2019 CSI review – Vocational Rehabilitation Fee Schedule (3304-2-52)

---

On July 2, 2019, Opportunities for Ohioans with Disabilities (OOD) received a Memorandum from the Common Sense Initiative (CSI). The Memorandum contained CSI's comments and recommendations on the rule package in which OOD seeks to refile Ohio Administrative Code 3304-2-52. OOD appreciates and agrees with both the analysis and recommendation of the CSI memorandum. OOD will follow the recommendations of CSI and file the proposed changes with the Joint Committee on Agency Rule Review (JCARR).
