On February 19, 2021, the Ohio Department of Insurance (the Department) received the Recommendation Memorandum (CSI Recommendation) from the Common Sense Initiative Office for rule 3901-6-11 Recognition of the 2001 CSO mortality table for use in determining minimum reserve liabilities and nonforfeiture benefits.

The Department has agreed to notify stakeholders of its intent to proceed with this rule as an amended rule instead of a no change rule prior to filing with JCARR.
