Re: CSI Review-Percentage of Income Payment Plan (PIPP) Plus Program (OAC 122:5-3-01 through 122:5-3-10)

Development and Ohio's CSI Office have reviewed the PIPP Plus Program rules referenced above, and the agency is ready to move forward with the rule filing process. On February 18, 2021, CSI sent a memorandum to Development stating that it had no recommendations for the above-mentioned rule package and that Development should proceed to file the rule package with the Joint Committee on Agency Rule Review (JCARR). Therefore, Development will proceed and file this rule with JCARR.
