Dear Mr. Wittkorn:

This correspondence is in follow-up to our conversation and my e-mail regarding the withdrawal and intent to refile rules 3753-3-10 and 4753-7-02 to correct a statutory reference in both rules. This will confirm that the update is technical in nature and does not change the substance of either rule. Attached, please find the rules showing the updates that will be refiled with JCARR today. I will use the same BIA analysis, your CSI memorandum dated December 6, 2021 for the above-referenced five year rule review package, and this updated agency response.

If there are any questions, please feel free to let me know.

Sincerely yours,

Gregg B. Thornton, Esq.  
Executive Director
