Dear Mr. Ritzenthaler,

Thank you for your review of the business impact analysis for the proposed revisions to Ohio Administrative Code Chapter 4501-8 (Abbreviate Adult Drive Training.) The Ohio Department of Public Safety, has received and read your review recommendations and conclusions. The Department understands that CSI has no additional recommendations.

The Department does plan to tweak the disqualifying offenses rule (4501-8-07) to add additional disqualifying offenses that have come about as a result of internal discussion during the CSI process. An updated rule is attached and new portions highlighted.

The Department intends to formally file Chapter 4501-8, and all required materials, with the Joint Committee on Agency Rule Review, the Legislative Service Commission, and the Secretary of State in early June 2022.

Sincerely,

*Joseph A. Kirk*
