Re: Development's PIPP response (OAC 122:5-3-02)

Date: September 9, 2022

Development and Ohio's Common Sense Initiative (CSI) Office have reviewed the PIPP program rule referenced above, and the agency is ready to move forward with the rule filing process. On September 9, 2022, CSI sent a memorandum to Development stating that it had no recommendations for the above-mentioned rule package and that Development should proceed to file the rule package with the Joint Committee on Agency Rule Review (JCARR). Therefore, Development will proceed and file this rule with JCARR.
