The Department is taking actions regarding three administrative rules governing certifications issued to employees of county boards of developmental disabilities:

Rule 5123-5-01 (Adult services certification standards) establishes minimum qualifications through certification standards that apply to persons, directly providing or supervising the provision of adult services, who are employed by county boards of developmental disabilities. The rule is being rescinded in accordance with [House Bill 509](#) of the 134th General Assembly which requires elimination of Adult Services certification by December 31, 2024.

Rule 5123-5-03 (Superintendent certification standards) establishes minimum qualifications through certification standards for Superintendents of county boards of developmental disabilities. The rule is due for five-year review. Based on a comprehensive review, the rule is being amended to update wording regarding renewal of expired certification and align wording with newer rules.

Rule 5123-5-04 (Denial, suspension, and revocation of adult services, business manager, and service and support administration) establishes the grounds and procedure for Superintendents of county boards of developmental disabilities to deny, suspend, and revoke Adult Services, Business Manager, and Service and Support Administration registration and certification issued in accordance with section 5126.25 of the Revised Code.
