

109:4-3-19**The Sale and Placing of Concrete for Residential Flat Work Driveways.**

(A) For purposes of this rule, the following definitions shall apply:

- (1) "Concrete" means a mixture of cement, water, and aggregates.
- (2) "Residential Flat Work Driveways" means all concrete placed for driveways which is to be used for primarily personal, family or household use.
- (3) "Ready Mix Producer" means a person, or its agent, who is responsible for the proportioning, mixing and delivery of concrete for residential flat work.
- (4) "Finisher" means a person, or its agent who is responsible for the placing, finishing, jointing and curing of residential flat work.

(B) It shall be a deceptive act or practice for a ready mix producer, in connection with the sale of concrete for residential flat work driveways, to fail to conform to any governmental rules or regulation establishing standards for concrete placed for residential flat work driveways.

(C) It shall be a deceptive act or practice for a finisher, in connection with the sale or placing of concrete for residential flat work driveways, to fail to conform to any governmental rules or regulations establishing standards for concrete placed for residential flat work driveways.
