- (B) Extension of time in examinations. No applicant in any examination shall be given a longer time on any subject than prescribed by the director. The director may establish separate time limits for the individual accommodation of disabled applicants.
- (C) Visitors at examinations. No visitor shall be admitted to the examination room during any examination except by special permission of the examiner in charge.
- (D) Changing of grades. No grades given in any examination shall be changed after the posting of an eligible list, provided that the director or designee may correct errors of examiners or employees at any time before the cancellation of such lists.
- (E) Postponement or cancellation of examinations. Examinations, unless canceled or postponed, must be held upon dates fixed by the director or designee. A scheduled examination may be canceled or postponed by order of the director or designee, for adequate reason. Reasonable efforts shall be made to notify each approved applicant of cancellation or postponement.
- (F) Credit for military service. The applicant must submit proof of honorable discharge or honorable separation from active military service prior to participation in the examination.
- (G) Repeating examinations. An applicant who has competed in a civil service examination may not repeat that examination or take an examination for the same classification within four months from the date of original examination, unless an alternative form of examination is given, or unless other standards are specified in the examination announcement.
