7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule describes the movement of contributions following a plan change election. Election prior to the rule's effective date must be initiated or completed within 180 days of the election. The rule is being amended to remove the time restriction on eligibility to purchase plan change service credit in the new plan.

This rule references sections of the Ohio Revised and/or Administrative Codes. The ORC and OAC are generally available in libraries and on the internet. This rule also contains references to the Combined and/or Member-Directed Plan Documents. OAC 145-1-81 defines the most recent versions of the plan documents and provides that they are not incorporated by reference. Ohio Revised Code 121.76 exempts agencies from filing copies of the codes cited in the text of a rule. OAC 145-1-81 defines the most recent versions of the plan documents and provides that cross-references to them do not incorporate the text of the documents into the rule.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:
