

1501:47-3-97

No wake operation on the waters of Jackson lake - pilot program.

On the waters within the boundaries of Jackson Lake state park:

(A) No person shall operate or permit the operation of a powercraft with a motor or combination of motors exceeding a horsepower rating of ten horsepower at a speed greater than idle speed or at a speed that creates a wake. This provision shall remain in effect until October 31, 2016.

(B) After October 31, 2016, no person shall operate or permit the operation of a powercraft with a motor or combination of motors with a horsepower rating of more than ten horsepower.
