6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The Department of Aging is proposing this amended rule pursuant to Sub. H. B. No. 473 of the 121st General Assembly (R.C. 119.032), which requires state agencies to review each of their rules every five years and determine whether to continue without change, amend, or rescind them. When the rule was posted on the agency's web site for a two-week public comment period, beginning on February 7, 2007, no comments were filed. Thus, the Department of Aging is proceeding with this proposed amended rule.

7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule introduces the Department of Aging and defines terms that are used throughout the administrative rules of the Department. The proposed amended rule states in paragraphs (B)(1), (B)(5), and (B)(6) that the terms defined by those paragraphs also can be represented throughout the rules of the Department by specific acronyms, which also reduces the number of paragraphs in the rule.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Not Applicable.

12. 119.032 Rule Review Date: **2/26/2007**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this

rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
