6. What are the reasons for proposing the rule?

ODA and the SLTCO (we) adopted OAC Chapter 173-14 (this chapter) to establish and operate a state long-term care ombudsman program as required by ORC§173.01; 42 USC 3027, 3058g; and 45 CFR 1321.11 and Part 1324. We also adopted this chapter

to carry out the provisions of ORC Chapter 173 pertaining to ombudsman programs as required by ORC§173.02.

As part of this chapter, we adopted this rule to (1) establish the types of representatives required for the state office identified in ORC§173.15, and (2) establish "staffing" requirements for regional offices, as required under ORC§173.16.

We reviewed every rule in this chapter top to bottom, as ORC§106.03 requires us to do no less often than once every 5 years. In doing so, we considered any necessary amendments to implement the following new laws:

(1) Effective February 11, 2015, the U.S. Dept. of Health and Human Services, Administration on Aging (AoA) and Administration for Community Living (ACL) jointly adopted 45 CFR Part 1321 to regulate long-term care ombudsman programs. AoA and ACL subsequently amended their rules and renumbered them as 45 CFR Part 1324.

(2) Effective April 19, 2016, the Older Americans Act Reauthorization Act of 2016 amended §§ 711 (42 USC3058f), 712 (42 USC3058g), and other sections of the Older Americans Act of 1965.

(3) Effective September 29, 2017, Am. Sub. House Bill No. 49 (132nd G.A.) amended ORC §§ 173.14, 173.15, 173.17, 173.19, 173.20, 173.21, 173.22, and 173.24.

We now propose to amend this rule.

7. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

This rule defines the types of representatives required for the SLTCO and regional programs. The rule also prohibits staff members who aren't representatives from performing complaint-handling duties.

We propose to amend this rule to achieve the following:

(1) Amend (A)(2) to allow regional programs to pay staff who perform only the duties of an ombudsman associate, with the approval of the SLTCO and based upon a position description and consideration of the program's effectiveness.

(2) Amend (A)(3) to require the SLTCO to issue certificates in the form of ID cards to all representatives, not just those who handle complaints or who are in contact with potential clients, clients, or providers.

8. Does the rule incorporate material by reference? No

9. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.

Not Applicable

10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.

Not Applicable

II. Fiscal Analysis

If the proposed rule is likely to have a different fiscal effect in future years, please describe the expected difference and operation.

This will have no impact on revenues or expenditures.
