Section 173.392 of the Revised Code requires ODA to adopt rules to establish requirements to include in, or exclude from, AAA-provider agreements (i.e., contracts) that are paid, in whole or in part, with Older Americans Act funds. The rules in Chapter 173-3 of the Administrative Code establish these requirements.

ODA proposes to amend this rule.

7. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

This rule introduces Chapter 173-3 of the Administrative Code and introduces terms used in that chapter and Chapter 173-4 of the Administrative Code.

ODA proposes to amend this rule to achieve the following:

1. Replace references to Chapter 173-3 of the Administrative Code with "this chapter" to comply with the Legislative Service Commission's "Rule Drafting Manual."
2. Delete the definitions of "consumer's signature" and "service plan."
3. Define "case management service."
4. Define "legal holiday," which will make it possible to delete cross-references throughout the chapter that point to a definition of the term in section 1.14 of the Revised Code.
5. Add a new definition for "licensed healthcare professional" and amend the definitions of "registered nurse" and "licensed practical nurse" to implement Senate Bills 3, 5, 6, and 7 and House Bill 252 (134th General Assembly).
6. Revise the definition of "unique identifier" to include the unique identifier of a driver under rule 173-3-06.6 of the Administrative Code.
7. Reduce requirements for outdated modes of communication by replacing "written testing" in the definition of "competency evaluation" with "standardized testing" and to define "electronic record," "electronic signature," and "health care record."

ODA also proposes to make non-substantive changes to this rule.

- 8. Does the rule incorporate material by reference? Yes**
- 9. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.**

This rule incorporates definitions from the United States Code which any person may access free of charge on <http://uscode.house.gov/search/criteria.shtml>.

- 10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**

ODA made a revised filing of this rule to upload a revised public hearing notice. In doing so, ODA did not revise the rule itself.
