Home maintenance, modification, and repair services.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **Yes**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **173.01, 173.02, 173.392, Section 305(a)(1)(C) of the Older Americans Act of 1965, 79 Stat. 210, 42 U.S.C. 3001, as amended in 2006; 45 C.F.R. 1321.11 (October 1, 2012 edition)**

5. Statute(s) the rule, as filed, amplifies or implements: **173.392, Sections 321(a)(4)(A) and (a)(4)(B) of the Older Americans Act of 1965, 79 Stat. 210, 42 U.S.C. 3001, as amended in 2006**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

Section 119.032 of the Revised Code requires ODA to review rules 173-3-06.2, 173-3-06.3, 173-3-06.4, and 173-3-06.5 of the Administrative Code no later than the rules' assigned review dates. Accordingly, ODA has reviewed the rules before their review dates and is now proposing to amend the rules.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

ODA is proposing to amend this rule to:

- * Incorporate language from more-recently adopted rules to clearly state that the requirements for providers in the rule is in addition to the mandatory clauses for provider agreements described in rule 173-3-06 of the Administrative Code.

- * Replace outdated "document maintenance" language with "service verification" and "records retention" language that is found in more-recently filed rules. In doing so, ODA would no longer appear to require paper records to verify that the services were performed pursuant to the rules.

- * Insert new language to state that (1) ODA would allow electronic records and (2) directs the provider to the rule that says for how long the provider must retain records. The proposed new language makes the rules uniform with rules 173-3-06.2 and 173-39-02.11 of the Administrative Code, as well as other more-recently adopted rules.

- * Delete the following permissive language from paragraph (C)(2)(a) of the rule: "(The AAA may publish a written list of authorized rates.)" Because ODA did not require AAAs to publish a list of authorized rates, it does no harm to remove the permissive language. An AAA could still publish such a list without the language. (For more information, please see ODA's response to the input of the Area Aging Office of Northwest Ohio, Inc. under #8 of the business impact analysis.)

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was

infeasible for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. 119.032 Rule Review Date: **9/3/2013**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
