8. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

This rule establishes the general requirements to become, and to remain, an ODA-certified provider.

ODA proposes to amend paragraph (B)(8)(j) of rule 173-39-02 of the Administrative Code by adding the following to the end of the paragraph: "unless otherwise permitted under rule 5160-44-32 of the Administrative Code." Without the proposed amendment, this rule prohibits a person with legal authority to represent an individual (i.e., to make decisions for an individual), such as a power of attorney, from being paid by the PASSPORT Program to be a participant-directed provider who works for the individual associated with the power of attorney. With the proposed amendment, a person with legal authority to represent an individual may be paid by the PASSPORT Program to provide services to the individual with limitations outlined in rule 5160-44-32 of the Administrative Code.

ODA also proposes to amend paragraph (A)(2) of this rule. Please review ODA's response to question #11 for details.

- 9. Does the rule incorporate material by reference? No
- 10. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.

Not Applicable

11. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.

ODA refiled this rule to amend paragraph (A)(2) of this rule to add helpful references to other applicable background check standards in Ohio statute and rules. This will not create new requirements for any provider. Instead, it will merely alert providers to already-existing requirements that may apply.

II. Fiscal Analysis

12. Please estimate the increase / decrease in the agency's revenues or expenditures in the current biennium due to this rule.

This will have no impact on revenues or expenditures.
