6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is part of a larger nutrition rule project. ODA proposes to adopt this new

rule to replace the language in OAC173-4-05. For more information, please review the business impact analysis (BIA).

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This proposed new rule would establish general requirements for each nutrition project. It would replace most of OAC173-4-05 and all of OAC173-4-05.1.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

The rule refers to the Dietary Reference Intakes (DRIs) which is available to the general public free of charge on <http://fnic.nal.usda.gov/>.

The rule also refers to the Dietary Guidelines for Americans which is available to the general public free of charge on <http://www.health.gov/dietaryguidelines>.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

ODA did not electronically file the DRIs with the rule because the DRIs are available to the general public free of charge on <http://fnic.nal.usda.gov/>.

ODA did not file the dietary guidelines because they are available to the general public free of charge on <http://www.health.gov/dietaryguidelines>.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. Five Year Review (FYR) Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

This will have no impact on revenues or expenditures.

\$0.00

GRF-490-411 Senior Community Services.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

There would be no cost of compliance directly associated with adopting this new rule to replace OAC 173-4-05 and 173-4-05.1. In fact, the proposed new rule would have a lesser cost of compliance for providers. For information on the cost of complying with the new rule, please review the BIA and its appendices, especially

appendix M.
