6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA is proposing this new rule as part of a larger effort to codify ODA's standards for agreements between AAAs and providers who are not providing services under a Medicaid-funded program (i.e., providers who are non-certified providers under section 173.392 of the Revised Code). This effort will bring ODA into compliance

with section 173.392 of the Revised Code, Section 305 (a)(1)(C) of the Older Americans Act, and 45 C.F.R. 1321.11.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This proposed new rule regulates a meal service for non-certified providers paid through means of a provider agreement entered into with an AAA. Specifically, this rule:

1. Defines the term "meal service";
2. Itemizes the minimum requirements for a meal service, including the requirements for dietary guidelines and dietary reference intakes; menu planning; determining nutritional adequacy by the nutrient-analysis method or the menu pattern method; ingredient information; consumer choice; alternative meals (e.g., therapeutic meals, diabetic meals, vegetarian meals, ethnic or religious meals, etc.); medical food and food for special dietary use; and dietary supplements.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

On November 24, 2008, ODA revised paragraph (A) of this proposed rule to replace the words, "means a service that" with the words "means a service through which a congregate nutrition program, a home-delivered nutrition program, or a restaurant or grocery meal service provides."

On November 25, 2008, ODA revise-filed the rule to upload a revised public hearing notice.
