

173-4-08

**Nutrition health screening service.****(A) Definitions:**

- (1) "Determine Your Own Nutritional Health" checklist means form ODA0010 (<http://www.goldenbuckeye.com/providers/forms.html>), which is a health screening instrument issued by ODA that indicates a person's level of nutritional risk.
- (2) "Nutrition health screening service" means a service that uses the "Determine Your Own Nutritional Health" checklist to screen consumers for nutritional risks.
- (3) "High nutritional risk" means the status of a consumer whose score on the "Determine Your Own Nutritional Health" checklist is six or above.

**(B) Minimum requirements for a nutrition health screening service:****(1) Frequency:**

- (a) For each consumer enrolled in a congregate nutrition program or restaurant and grocery meal service, the provider shall provide the service no later than two months after the consumer's enrollment into the program and at least annually thereafter.
- (b) For each consumer enrolled in a home-delivered nutrition program, the provider shall provide the service no later than two months after the first meal is delivered to the consumer's home and at least annually thereafter.

**(2) Referrals:**

- (a) The provider shall establish a referral system that allows for potential interventions for consumers with a high nutritional risk, unless the AAA has already established a referral system.
- (b) The provider shall use the referral system to refer any consumer who is determined to have a high nutritional risk.
- (c) On a monthly basis, the provider shall document the number of consumers who were referred to community-based services through the nutrition health screening service.
