

173-4-08

Nutrition health screening.(A) Definitions for this rule:

(1) "Nutrition health screening" ("screening") means using the "Determine Your Own Nutritional Health" checklist to screen consumers for nutritional risks and referring consumers with high nutritional risks to community-based services.

~~(1)~~(2) "Determine Your Own Nutritional Health" checklist means form ODA0010 (<http://www.aging.ohio.gov/information/rules/forms.aspx>), which is a health screening instrument issued by ODA that indicates a person's level of nutritional risk.

~~(2) "Nutrition health screening" means using the "Determine Your Own Nutritional Health" checklist to screen consumers for nutritional risks.~~

(3) "High nutritional risk" means the status of a consumer whose score on the "Determine Your Own Nutritional Health" checklist is six or above.

(B) ~~Minimum requirements for~~ In addition to complying with the mandatory clauses for provider agreements described in rule 173-3-06 of the Administrative Code, a nutrition health screening provider shall comply with the following requirements:

(1) Frequency:

(a) ~~Congregate or restaurant and grocery: For each consumer enrolled in a congregate nutrition program or restaurant and grocery meal service,~~ The provider shall screen each consumer who is enrolled in a congregate nutrition program according to rule 173-4-02 of the Administrative Code, which includes consumers enrolled in a restaurant and grocery nutrition service, and shall do so no later than two months one month after the consumer's enrollment into the program and at least annually thereafter.

(b) ~~Home-delivered: For each consumer enrolled in a home-delivered nutrition program,~~ The provider shall screen each consumer who is enrolled in a home-delivered nutrition program according to rule 173-4-02 of the Administrative Code, and shall do so no later than two months one month after the first meal is delivered to the consumer's home and at least annually thereafter.

(2) Referrals for high nutritional risk:

- (a) The provider shall establish a referral system that allows for potential interventions for consumers with a high nutritional risk, unless the AAA has already established a referral system.
- (b) The provider shall use the referral system to refer any consumer who is determined to have a high nutritional risk.
- ~~(c) On a monthly basis, the provider shall document the number of consumers who were referred to community-based services through screening.~~

(3) Information on excessive alcohol consumption:

- (a) The provider shall provide information to consumers about excessive alcohol consumption that correspond with the recommendations of the "Dietary Guidelines for Americans," unless the AAA is providing this information to consumers.
- (b) The provider shall provide information about agencies or organizations that address excessive alcohol consumption to any consumer who answers "yes" to the alcohol consumption question on the "Determine Your Own Nutritional Health" checklist.

(4) Records:

- (a) The provider shall record the number of consumers that it refers at high risk that it refers through screening and for potential intervention.
- (b) The provider shall enter each consumer's nutrition risk score in the social assistance management system (SAMS) consumer record.
