6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA is proposing this new rule as part of a larger effort to codify ODA's standards for agreements between AAAs and providers who are not providing services under a Medicaid-funded program (i.e., providers who are non-certified providers under section 173.392 of the Revised Code). This effort will bring ODA into compliance

with section 173.392 of the Revised Code, Section 305 (a)(1)(C) of the Older Americans Act, and 45 C.F.R. 1321.11.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This proposed new rule regulates a nutrition health screening service for non-certified providers paid through means of a provider agreement entered into with an AAA. Specifically, the rule:

1. Defines terms used in the rule;
2. Itemizes the minimum requirements for a nutritional health screening service; and,
3. Establishes a unit of a nutrition health screening service.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously

filed version of this rule; if none, please state so:

On November 25, 2008, ODA revised the proposed new rule to upload a revised public hearing notice.

On January 5, 2009, ODA refiled the proposed new rule to:

1. Delete "service" from the title.
2. Change the URL in paragraph (A)(1) of the rule to "http://www.aging.ohio.gov/information/rules/forms.aspx" because, before ODA adopts this rule, It will have launched its new web site and that will be the new URL.
3. Replace ""Nutrition health screening service" means a service that uses the "Determine Your Own Nutritional Health" checklist to screen consumers for nutritional risks" in paragraph (A)(2) of the rule with ""Nutrition health screening" means using the "Determine Your Own Nutritional Health" checklist to screen consumers for nutritional risks."
4. Replace "provide the service" in paragraph (B)(1)(a) of the rule with "screen."
5. Replace "provide the service" in paragraph (B)(1)(b) of the rule with "screen."
6. Delete "service" from paragraph (B) of the rule.
7. Replace "through the nutrition health screening service" in paragraph (B)(2)(c) of the rule with "through screening."
8. Update this RSFA.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the

budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

ODA does not anticipate that the proposed adoption of this new rule would have any impact on the biennial budget established for ODA by the General Assembly because this proposed new rule should not create any expenses unforeseen when the General Assembly appropriate funds to ODA in Am. Sub. H. B. No. 119 (127th G. A.).

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

322-490-618 Federal Aging Grants.

3M3-490-611 Federal Aging Nutrition.

3M4-490-612 Federal Independence Services.

GRF-490-411 Senior Community Services.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

ODA estimates that there will be no cost of compliance to any directly-affected person as a result of the adoption of this proposed new rule. A consumer is not required to pay for a nutrition health-screening service and, thus, has no cost of compliance. A provider who enters into a provider agreement under Chapters 173-3 or 173-4 of the Administrative Code is reimbursed for his/her fully-allocated costs, meaning any costs incurred by complying with this rule are compensated by funds administered under this chapter. Additionally, the provider sets the rate of reimbursement since he/she bids on the opportunity to win a provider agreement through a competitive-bidding process under rule 173-3-05 of the Administrative Code.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
