This rule exists to establish the process for disenrolling an individual from the state-funded component of the PASSPORT Program and other actions.

7. **Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

This rule establishes the process for disenrolling an individual from the state-funded component of the PASSPORT Program and other actions.

ODA proposes to amend this rule to achieve the following:

1. Indicate that the moratorium on disenrollment during a state of emergency declared by the governor also applies during a federal public health emergency.
2. Remove or replace words that imply requirements for outdated modes of communication or in-person interaction (e.g., "print," "mailing," "signed," "written").
3. Comply with LSC's Rule Drafting Manual by eliminating the period in the cross-references to chapters of the Revised Code.
4. Replace "approves" with "approved" in paragraphs (A)(2)(a) and (A)(2)(b) of this rule.
5. Refer to the potential for the director to have approved an extension to the maximum enrollment periods in paragraph (A)(4)(a)(iv) of this rule.
6. Insert ", or to disenroll the individual from," into paragraph (B)(5)(a)(i) of this rule after "To deny the individual's enrollment into."
7. Replace occurrences of ODA's address with "the address listed on the form."

8. **Does the rule incorporate material by reference? Yes**
9. **If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.**

Please see the incorporation by reference information for rule 173-40-01 of the Administrative Code to find the forms referenced by this rule that are defined by that rule.

10. **If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**

ODA refiled this rule to achieve the following:

1. Insert "if federal financial participation pays for all of the individual's services" to paragraph (A)(1) of this rule after the proposed amendment to add the words "or during a federal public health emergency."
2. Replace paragraphs (A)(2), (A)(4), (B)(3), and (B)(5) [including any sub-paragraphs to those paragraphs] with paragraph (C) because the former paragraphs are superseded

by section 173.523 of the Revised Code and this rule does not need to repeat that section.

3. Reword paragraphs (A)(3) [proposed to be (A)(2)] [including sub-paragraphs], (B)(1) [including sub-paragraphs], (B)(2)(c), and (B)(4) [proposed to be (B)(3)] [including sub-paragraphs] to reduce the unnecessary use of regulatory restrictions from the rule.
