Process and general standards.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **Yes**

Bill Number: **HB59**General Assembly: **130**Sponsor: **Amstutz**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **173.01, 173.02, 173.42**

5. Statute(s) the rule, as filed, amplifies or implements: **173.42**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA is filing this rule as part of a larger rule package that involves amending the rules in the package in 5 different ways:

1. H.B.59 renumbered many sections of the Ohio Revised Code. The changes took effect on September 30. Therefore, ODA is proposing to amend rules to make corresponding updates to the Ohio Administrative Code.

2. H.B.59 transformed the Dept. of Job and Family Services' Office of Medical Assistance into the Ohio Dept. of Medicaid. On October 1, the Legislative Service Commission assigned new rule numbers to the related Medicaid rules. As a result, ODA must make corresponding amendments to use the new rule numbers.

3. Section 121.72 of the Revised Code requires ODA to indicate the edition of any C.F.R. that we cite in a rule and the latest date of any amendment to a federal act that we cite in a rule. Therefore, ODA is proposing to amend the rules to add edition and amendment dates.

4. Beginning on October 1, new rule 173-3-07 of the Administrative Code no longer refers to consumer cost-sharing policies. Instead the rule speaks of voluntary contributions and cost sharing apart from such policies. Therefore, ODA is proposing to update paragraphs (A)(10) and (C) in rule 173-3-06 of the Administrative Code to merely require providers to comply with rule 173-3-07 of the Administrative Code.

5. ODA is also proposing to clean up the rules, including [A] naming the programs that are regulated by the rule 173-3-06 of the Administrative Code; [B] starting the list under paragraph (A)(2) of rule 173-43-05 of the Administrative Code with "the following four criteria" and ending the paragraphs under paragraph (A)(2) of the rule with periods; [C] eliminating a defining clause in paragraph (A)(3) of rule 173-43-03 that is redundant of a definition in rule 173-43-01 of the Administrative Code; and [D] explaining that any person that ODA wants to certify to give Long-Term Care Consultations is subject to the criminal records check rules; [E] replace the pre-H.B. 153 (129th G.A.) language for "Assisted Living, Choices, and PASSPORT Medicaid-funded waiver programs" with "Medicaid-Funded Components of the Assisted Living, Choices and PASSPORT programs"; and [F] replace "he/she" in paragraph (A)(14) of rule 173-3-06 of the Administrative Code with "he or she."

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

ODA is proposing to amend the rule to:

1. Replace "5111.202" and "5111.204" with "5165.03" and "5165.04" to incorporate the change H.B.59 made on September 29.

2. Replace "5101:3-3-15" with "5160-3-14," "5101:3-3-15.1" with "5160-3-15.1," "5101:3-3-15.2" with "5160-3-15.2," and "5101:3-3-43.1" with "5160-3-43.1" to incorporate the changes the Legislative Service Commission is making to assign ODM rule numbers to JFS rules.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

12. 119.032 Rule Review Date: **8/5/2017**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
