

TO BE RESCINDED

173-45-03

Consumer guide content.

In an effort to provide consumers with information on the array of long-term care services, a variety of measures of nursing facility quality, and other information useful in comparing and selecting nursing facilities and other long-term care service providers, the department of aging shall include the following information in the consumer guide:

- (A) A description of the guide;
- (B) Disclaimers stating the limitations of the data included in the guide;
- (C) Facility specific data, including customer satisfaction data obtained under section 173.54 of the Revised Code, clinical quality indicator data specified in rule 173-45-10 of the Administrative Code, and data derived from standard surveys as specified in rule 173-45-11 of the Administrative Code;
- (D) A recommendation that individuals considering nursing facility placement visit any facilities they are considering; and,
- (E) Electronic links to other information on the internet about selecting nursing facilities and about other long-term care options, including information maintained by pertinent government agencies and private organizations and telephone numbers for those agencies and organizations.
