6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being proposed for rescission because the Long-Term Care Consumer Guide for which the rule was written lost its funding in 2003. In addition, the statutes authorizing the Department of Aging to establish and administer the Long-Term Care Consumer Guide were rescinded (See Am. Sub. H.B. 95 of the 125th General Assembly).

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule lists the type of information that was required to appear in the Long-Term Care Consumer Guide prior to its loss of funding in Am. Sub. H.B. 95 of the 125th G.A.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

Not Applicable.

12. 119.032 Rule Review Date: **9/21/2005**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

0.00

It is estimated that the rescission of this rule will have no impact upon the Department of Aging's budget in the current biennium. The statutes upon which this rule was originally adopted were rescinded in Am. Sub. H.B. 95 of the 125th G.A., and the General Assembly terminated funding for the Long-Term Care Consumer Guide at that time. While a new Long-Term Care Consumer Guide was authorized and funded in Am. Sub. H.B. 66 of the 126th G.A., the rescission of this rule does not affect the new program and should have no impact for the Department of Aging's budget in the current biennium.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

There are no expenditures necessitated by the rescission of this rule.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

There are no costs of compliance with this rule - the rule is being rescinded and the program for which it was adopted no longer exists.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
