In 2000, House Bill 403 (123rd G.A.) required ODA to adopt rules to implement and administer the Long-Term Care Consumer Guide (Guide). Today, those rules comprise Chapter 173-45 of the Administrative Code.

ODA now proposes to amend this rule to remove words that imply requirements for outdated modes of communication.

Rule 173-45-06.2 of the Administrative Code regulates the publication of facility staffing information in the Guide.
