This rule filing is part of 2 packages of rules ODA is filing on the same day. The rules in these packages regard eligibility and enrollment in the state- and Medicaid-funded components of the Assisted Living and PASSPORT Programs, the unified waiting list, and PACE. ODA is making many updates to these rules, but all are non-substantive.

7. **Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

This rule establishes the enrollment process for the state-funded component of the Assisted Living Program.

Compared to the current rule, which ODA simultaneously proposes to rescind and replace with this proposed new rule, this proposed new rule contains the following differences:

(1) ODA proposes to update this rule's terminology by using "individual" not "consumer," "requirements" not "criteria," "requirement" not "criterion," "all...eligibility requirements" not "the...eligibility criteria," "ODA or its designee" not "ODA (or ODA's designee)," "in fewer than thirty days" not "on or before the thirtieth day," and "according to" not "in accordance with." ODA additionally proposes to eliminate unnecessary occurrences of "that," "who is," and "has."

(2) ODA proposes to update references to ODM rules.

(3) ODA proposes to update ODA's mailing address.

(4) ODA proposes to use ODM's new "PETI" terminology.

(5) ODA proposes to replace "...will proceed with a final order that contains findings" in paragraph (D)(4) of the current rule with "shall issue a final order of adjudication adopting the allegations contained in the original notice" in the same paragraph of the proposed new rule.

(6) ODA proposes to explain why an individual would be disenrolled from the state-funded component for either a determination of meeting or not meeting the eligibility requirements for the Medicaid-funded component of the Assisted Living Program, ODA proposes to add the following helpful note to paragraph (A)(2) of this rule: "(If an individual meets all requirements for the Medicaid-funded component of the assisted living program, the individual would be enrolled into the Medicaid-funded component of the program and no longer remain in the state-funded component.)"

None of the differences between the proposed new rule and the current rule are substantive.

8. **Does the rule incorporate material by reference? Yes**
9. **If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.**

This rule mentions forms, the names of which rule 173-51-01 of the Administrative Code defines, incorporates by reference, and shows readers where to find on ODA's website free of charge.

10. **If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**

*Not Applicable*

## **II. Fiscal Analysis**

If the proposed rule is likely to have a different fiscal effect in future years, please describe the expected difference and operation.**

This will have no impact on revenues or expenditures.

\$0.00

After this rule filing takes effect, ODA estimates there will be no increase/decrease in revenue from what the Ohio General Assembly appropriated to ODA for the biennium in Am. Sub. H. B. 49 (132nd G.A.).

12. **What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?**

ODA estimates that this rule has no cost of compliance to any directly-affected person other than to require individuals seeking to enroll into the state-funded component of the Assisted Living Program to apply for the program.

13. **Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No**
14. **Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No**
