Eligibility and use.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **Yes**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **173.02, 173.06**

5. Statute(s) the rule, as filed, amplifies or implements: **173.06**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA has reviewed this rule in accordance with Sub. H. B. No. 473 (121st G. A.) and section 119.032 of the Revised Code, which require a state agency to review each rule every five years to determine whether to continue without change, to amend, or to rescind a rule. Because ODA decided to change more than fifty percent of the language in the rule by removing references to the enrollment process and issuance of cards from the this rule, ODA would have amended over fifty per cent of this rule if it would have been filed as a proposed amended rule. Therefore, in accordance with the "fifty per cent guideline" in the Fourth Edition of the LSC Rule Drafting Manual (May, 2006), ODA is now proposing this rule for rescission.

Simultaneous filings will propose new rule 173-6-02 of the Administrative Code to replace the content of paragraph (A) of this rule and rules 173-6-03 and 173-6-04 of the Administrative Code for the rest of the language in this rule.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule proposed for rescission provides the criteria for eligibility for the Golden Buckeye program and also some other information about the enrollment/application program and usage of the Golden Buckeye Card. Because this rule is being proposed for rescission, the language concerning eligibility can now be found in proposed new rule 173-6-02 of the Administrative Code and the language concerning enrollment can now be found in proposed new rules 173-6-03 and 173-6-04 of the Administrative Code.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other materials by reference.

11. If **revising** or **refiling** this rule, identify changes made from the previously

filed version of this rule; if none, please state so:

Not Applicable.

12. 119.032 Rule Review Date: **4/16/2007**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
