# **FISCAL REQUIREMENTS**

## **FLAT FEES**

The duration of Flat Fees shall be defined as a specific amount of time or a specific outcome as identified in the service description of the VR Fee Schedule. Flat Fees include services authorized on a daily, weekly, or specific milestone/outcome basis. Flat Fees are inclusive of all contacts required to provide and document the service, e.g. telephone contacts to set appointments, a case staffing, etc.

## **INDIVIDUAL AND GROUP RATES**

When OOD authorizes for VR services at rates identified in TABLE 1: INDIVIDUAL FEE SCHEDULE RATES, Providers shall deliver services to Participants on a 1:1 basis. This means a ratio of one (1) Provider staff person to one (1) Participant shall be maintained for the entire duration of the service, except for Community Based Assessments. Community Based Assessments shall not exceed one (1) Provider staff person to two (2) Participants and VR Counselor or VR Contractor must provide prior approval of the group service prior to the Community Based Assessment. In these cases each CBA would be authorized for each participant at the full individual rate for their service.

When OOD authorizes for VR services at rates identified in TABLE 2: GROUP FEE SCHEDULE RATES, Providers may deliver services in a group setting. Groups are defined as a single Provider staff person dividing their time amongst multiple service recipients regardless of funding source. Groups shall have a maximum staffing ratio of 1:4, one (1) staff person to four (4) Participants. Individualized services provided in a group setting shall not be considered 1:1 and shall be paid at the group rate. When group services are authorized, the Provider shall bill the service based upon the actual staff to Participant ratio when the service was provided.

Example: Provider is serving three Participants, one funded through OOD and two through the DODD waiver. This shall be billed at the group rate even though the Provider is only providing services to one OOD Participant.

When a Provider delivers services not defined in the VR Fee Schedule through an approved Addendum and/or Miscellaneous Training Addendum, services shall be provided on an individual basis, one (1) Provider staff person to one (1) Participant, unless the Provider specifically has requested and OOD has approved a group rate on their approved Addendum and/or Miscellaneous Training Addendum, as posted in the Provider Management Program (PMP).

## **SERVICE DELIVERY CYCLE**

VR authorizations for services that are purchased as UOS or Daily (Flat Fee) rates shall be issued for one calendar month with an allowable variance of seven (7) days into the previous or following month, e.g. February 22 to March 31 or March 1 to April 7. VR authorizations for UOS or Daily rates shall not exceed a total of five (5) weeks.

Exception: In cases where Site Development and a service have been requested together, the authorization shall be issued for ninety (90) days or up to September 30<sup>TH</sup>, whichever occurs first.

Service dates of VR authorizations for other Flat Fee services, e.g. Week or Outcome, shall be authorized until the end of the current Federal Fiscal Year. Providers shall complete the entire service prior to billing, with the exception of Summer Youth Career Exploration and/or Summer Youth Work Experiences, which may be billed up to twice during the service. Providers may not bill for partial or incomplete services during the billing cycle.

### **UNITS OF SERVICE (UOS)**

Units of Service shall equal six (6) minutes increments. UOS shall be billed in accordance with the chart below. Providers may bill for time actively providing direct services to Participants; for direct contacts with potential employers on behalf of specific Participants; and for direct contacts with VR Counselors or VR Contractors on behalf of specific Participants. Services can be billed for activities performed either in-person, via telephone, email, or other electronic media (such as completing an online electronic job application). Providers shall not bill for travel time between appointments. Provider staff shall be physically present and/or actively performing a service for time to be billable. Providers shall not bill for time providing indirect services which includes: reading email; listening to messages; internal communications between Provider staff members; reading collateral documentation; conducting case/file reviews; and for the purpose of managing authorizations, invoices, and/or payments.

<b>MINUTES</b>	<b>UOS</b>
<b>UP TO 6</b>	<b>1</b>
<b>7 – 12</b>	<b>2</b>
<b>13 – 18</b>	<b>3</b>
<b>19 – 24</b>	<b>4</b>
<b>25 – 30</b>	<b>5</b>
<b>31 – 36</b>	<b>6</b>
<b>37 – 42</b>	<b>7</b>
<b>43 – 48</b>	<b>8</b>
<b>49 – 54</b>	<b>9</b>
<b>55 – 60</b>	<b>10</b>

### **VR AUTHORIZATIONS**

VR authorizations act as the agreement to purchase a maximum amount of a specific service within a specific range of dates and the rate the Provider will be compensated. Providers should not deliver services without a VR Original Authorization/Billing (OOD-0020) number or other OOD issued electronic version of the VR Original Authorization & Billing number. If there is a need to increase the

amount of service or extend the dates of service from what has been originally authorized, the Provider is responsible for contacting the assigned VR Counselor or VR Contractor to obtain prior approval of the increase or change of dates prior to delivering services. Providers will receive an amended authorization with the increase in the amount of service or extension of dates of service.

### **VR REPORTS & INVOICES**

Providers shall submit a written report, including the invoice, using the appropriate template for the specific service as defined in the VR Provider Manual.

VR reports and invoices shall include all documentation and address all areas of the service definition and requirements section, even if previously submitted to VR Staff or VR Contractor (e.g. resume, placement report, etc.). VR reports and invoices shall be submitted electronically within twenty-one (21) calendar days of the date of last service or the last date as defined on the VR Original Authorization & Billing (OOD-0020), whichever comes first. The end of service shall be defined as the last direct contact with the Participant and/or employer. OOD will not issue subsequent authorizations if reports are not received within the twenty-one (21) day timeframe. OOD shall return reports and invoices that contain errors and/or do not meet the requirements of the VR Fee Schedule. If returned, Providers shall have twenty-one (21) calendar days from the date that the report and/or invoice was returned to the Provider to make corrections and re-submit for payment. Final invoices, including corrections, shall be submitted to OOD no later than ninety (90) days of the date of last service for payment. Providers shall have a maximum of twenty-one (21) days to submit corrections, as long as the original invoice was submitted within ninety (90) days. Requests for payments after ninety (90) days, or after the twenty-one (21) day period to correct and resubmit the invoice and/or report, may be denied.

Example: Invoice was submitted on February 27, day eighty-nine (89), but it was returned to the Provider for corrections on March 3. Provider has until March 24 to submit the correction.

## **SERVICE AREA MODIFIER (SAM)**

OOD may authorize the Service Area Modifier in situations where OOD specifically requests a Provider to serve a Participant outside of their designated service area. The SAM Fee shall only apply to services defined in the VR Fee Schedule. The SAM Fee shall be determined based upon the one way distance from the closest border of the Provider's service delivery area to the Participant's residence. Service delivery areas are identified by county as indicated by Providers in the Provider Management Program (PMP). The SAM Fee may only be charged once per day by the Provider staff member. When serving more than one Participant in a given day, the SAM rate shall be determined based upon the mileage of the Participant with the furthest residence from the Provider's defined service delivery area. OOD shall establish the SAM Fee utilizing an electronic mapping tool, such as navigation software or web based programs. OOD shall authorize the SAM Fee prior to service delivery.

Work Incentives Planning services are utilized to provide information on how participating in vocational rehabilitation services and returning to work can positively impact the Participant's earning potential. The Flat Fee shall include the time interviewing the Participant, verifying benefits, analyzing data, and a review of the written report with the Participant, his/her parent or legal guardian, and/or representative payee. WIP takes into consideration current benefits such as: Social Security Disability Insurance/Supplemental Income, Medicaid/Medicare coverage, Veteran's benefits, housing assistance, Medicaid Buy-In for People with Disabilities, food stamps, and other public assistance programs. WIP services also provide Participant's information on work incentives such as: the Ticket to Work, Impairment Related Work Expenses (IRWE), Trial Work Periods (TWP), Student Earned Income Exclusions (SEIE), and Plan for Achieving Self-Sufficiency (PASS) plans. The outcome of the service is to give a Participant a comprehensive overview of how working affects benefits and how work incentives can be utilized to maximize earnings. Intake shall not be authorized with or as part of Work Incentive Planning.

### **REQUIREMENTS**

The written VR Report shall at a minimum address the following:

- Verification from the source organization such as Social Security, Jobs & Family Services, etc. of the amount and type of benefits received by Participants and/or household members, e.g. SSI/SSDI, medical, housing, or cash assistance;

WIC services may not be utilized to assist a person in applying for Social Security benefits or completing a Continuing Disability Review (CDR). WIC services may not be utilized to supplant case management services already provided or available from other agencies. Intake shall not be authorized with or as part of Work Incentive Coordination.

### **REQUIREMENTS**

CBAs shall be authorized either as a half day, four (4) hours or less, or a full day, over four (4) hours. VR Counselors or VR Contractors shall determine if the CBA is a half or full day and specify the option on the authorization for service. The Flat Fee includes Provider staff time to assess the Participant, any staffing that may be needed, and the report. CBA is not intended to teach specific work skills, provide work experience or adjustment services. CBA should not be standard practice for onboarding Participants with disabilities or used as a hiring incentive in conjunction with or in lieu of Job Development services. CBA shall be conducted in competitive and integrated settings, except for limited circumstances when the VR Staff or VR Contractor determines that the Participant's needs cannot be met in the community. CBAs provided in a non-integrated setting shall be transitioned to an integrated setting as soon as possible based upon the readiness of the Participant. The outcome of the service is to assess the Participant's job readiness and to make recommendations for future services.

### **JOB SEEKING SKILLS TRAINING (JSST)**

Job Seeking Skills Training is utilized to assist a Participant to successfully identify and respond to potential job opportunities. JSST is a component of Job Development; however, JSST may be provided outside of Job Development for Participants who are preparing to conduct their own independent job search (e.g. not receiving Job Development). The service may include: how to locate job opportunities through the newspaper, online, job boards, and 'cold calling' techniques (i.e. telephone script); how to develop a resume, cover letter; how to follow up with employers after completing an application or interview; how to address potential barriers such as breaks in employment history, criminal convictions, and need for reasonable accommodations; how to handle difficult interview questions, mock interviews, and to teach Participants the importance of and how to manage their online/social media. The outcome of the service should be that the Participant has the skills and resources to maximize his/her independence in conducting his/her own job search.

### **REQUIREMENTS**

The written VR Report shall at a minimum address the following:

- Dates of contacts with Participants, his/her parent or legal guardian, VR Counselors or VR Contractors;
- Documentation of the topics and techniques used to teach the Participant how to prepare for his/her independent job search;
- Include input from the Participant on his/her self-evaluation of his/her interviewing skills; and
- Questions posed by VR Staff or VR Contractor in the Referral to Community Rehabilitation Program.

Providers shall submit an editable electronic copy (e.g. Microsoft Word) of the resume with the first report and invoice. The resume shall follow OOD's Resume Standards which includes being professional in appearance and accurately reflecting Participant's information, work and educational histories, and being free of spelling and grammatical errors. VR Counselors or VR

Contractors may request a sample mock application in addition to the resume. VR Counselors and VR Contractors shall review and approve the resume prior to being used for job development.

Providers shall also assist the Participant to register with Ohio Means Jobs (OMJ), if they are not already registered.

Providers shall submit the invoice and report, on the appropriate template, within twenty-one (21) calendar days of the completion of service or the last date of services defined on the VR authorization, whichever comes first.

## **JOB DEVELOPMENT (JD)**

Job Development is utilized to prepare and assist Participants to contact businesses, apply and interview with employers, and to secure employment. Job Development should include instruction and guidance about how to locate potential job opportunities (e.g. networking, use of OMJ and other electronic job boards, newspapers, online, and “cold” calling); development of a resume and mock application template, and cover letters; how to answer interview questions including issues such as gaps in employment histories; requesting reasonable accommodations; addressing criminal histories; and managing online profiles/social media. This instruction and guidance should maximize the independence of the Participant to conduct his/her own job search. Based upon the needs of the job seeker, Job Development may also include the job developer updating the job seeker’s resume and mock application, sending out cover letters and resumes to potential employers, providing job leads to the job seeker to follow up on, review of the job seekers interview skills, follow up contacts with employers when applications have been submitted or when a job seeker has an interview, discussion of hiring incentives and tax credits with the business, and providing support in requesting and implementing reasonable accommodations.

Performance Based (Tiers) is the preferred fee structure for job development and shall be inclusive of all job search activities including but not limited to activities involving contacting businesses, preparing for interviews, and attending interviews with Participants. The Tiers shall be paid upon the following deliverables:

- Tier I (Job Seeking Skills Training & Planning): Upon completion of 1) Job Seeking Skills Training (JSST), 2) approval of the resume, 3) approval of the mock application, if requested, 4) registration of the Participant with Ohio Means Jobs (OMJ), 5) completion of the Job Development Plan, and 6) the “kick off” meeting;
- Tier II (Job Search Assistance): VR Counselor or VR Contractor’s approval of a job that meets the Participant’s agreed upon wage and hours as identified in the IPE, a review of the position description, and successful completion of the second day of work. Providers shall submit a copy of the Employment Verification form signed by the Participant. The report shall be signed by the Participant on the first day of paid work or later. Tier II may be authorized more than once, as needed, for subsequent placements in which the Participant loses the previous position that they were placed in but prior to the final monthly Tier III payment;
- Tier III (Retention): Shall be paid in separate thirty (30) day increments after job stabilization. Job stabilization, as determined by the VR Counselor or VR Contractor, begins when the Participant is able to independently perform job tasks without the assistance of a Job Coach and has adjusted to

the demands of the work environment. The deliverables for each monthly period shall be as follows:

- First 30 Days: Provider shall have an interactive contact with the Participant and/or business, e.g. speak with them via telephone or make a site visit at least once every two weeks, unless the Participant does not give the Provider permission to speak with their employer;
- Days 31 – 60: Provider shall have an interactive contact with the Participant and/or business, e.g. speak with them via telephone or make a site visit at least once every two weeks, unless the Participant does not give the Provider permission to speak with their employer. VR Counselor or VR Contractors may require more frequent contacts dependent on the needs of the Participant;
- Days 61 – 90: Provider shall have an interactive contact with the Participant and/or business, e.g. speak with them via telephone or make a site visit at least once every two weeks, unless the Participant does not give the Provider permission to speak with their employer. The final contact shall take place between the 83<sup>RD</sup> to 90<sup>TH</sup> day post job stabilization. Provider shall submit a new Employment Verification form as part of the final report and invoice.
