3717-1-20 Existing facilities and equipment.

Existing facilities and equipment in a food service operation or retail food establishment shall are to be replaced with equipment and facilities meeting the requirements of this chapter when any of the following occur:

- (A) They no longer comply with the following:
 - (1) Are in good repair and can be maintained in a sanitary condition;
 - (2) Have food contact surfaces that comply with the requirements of this chapter;
 - (3) Have cooling, heating, and holding capacities that comply with the requirements of this chapter; or
 - (4) Criteria upon which they were originally approved.
- (B) The facilities and equipment constitute a public health hazard; or
- (C) The food service operation or retail food establishment changes ownership.
