

3717-1-20**Existing facilities and equipment.**

Existing facilities and equipment in a food service operation or retail food establishment shall be replaced with equipment and facilities meeting the requirements of this chapter when any of the following occur:

(A) They no longer comply with the following:

- (1) Are in good repair and can be maintained in a sanitary condition;
- (2) Have food contact surfaces that comply with the requirements of this chapter;
- (3) Have cooling, heating, and holding capacities that comply with the requirements of this chapter; or
- (4) Criteria upon which they were originally approved.

(B) The facilities and equipment constitute a public health hazard; or

(C) The food service operation or retail food establishment changes ownership.
