I. Rule Summary

1. Is this a five year rule review? Yes
 - A. What is the rule's five year review date? 11/29/2022 and 11/29/2027
2. Is this rule the result of recent legislation? No
3. What statute is this rule being promulgated under? 119.03
4. What statute(s) grant rule writing authority? 3704.03(E)
5. What statute(s) does the rule implement or amplify? 3704.03(F)
6. What are the reasons for proposing the rule?

This rule is being filed with no changes following a review to fulfill the requirements of ORC 119.032 (5-yr review).

7. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

This rule states that no person can install a device that conceals or dilutes air contaminant emissions in violation of rules.

8. Does the rule incorporate material by reference? Yes

9. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.

This rule contains references to the Ohio Revised Code (ORC). While copies of these rules are generally available to the public through libraries and on-line sources, including the Ohio EPA website, ORC 121.76 (A) exempts such references from the provisions of ORC 121.71 through 121.75.

10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.

Not Applicable

II. Fiscal Analysis

11. Please estimate the increase / decrease in the agency's revenues or expenditures in the current biennium due to this rule.

This will have no impact on revenues or expenditures.

0.00

Not applicable.

12. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?

There is no cost of compliance with this rule. This rule states that no person can install a device that conceals or dilutes air contaminant emissions in violation of rules.

13. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No

14. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). Yes

15. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.

Not applicable.

III. Common Sense Initiative (CSI) Questions

16. Was this rule filed with the Common Sense Initiative Office? Yes

17. Does this rule have an adverse impact on business? No

- A. Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? No**
- B. Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? No**
- C. Does this rule require specific expenditures or the report of information as a condition of compliance? No**
- D. Is it likely that the rule will directly reduce the revenue or increase the expenses of the lines of business of which it will apply or applies? No**

Rule Summary and Fiscal Analysis

Part C - Environmental Rule Questions

Pursuant to Am. Sub. H.B. 106 of the 121st General Assembly, prior to adopting a rule or an amendment to a rule dealing with environmental protection, or containing a component dealing with environmental protection, a state agency shall:

- (1) Consult with organizations that represent political subdivisions, environmental interests, business interests, and other persons affected by the proposed rule or amendment.
- (2) Consider documentation relevant to the need for, the environmental benefits or consequences of, other benefits of, and the technological feasibility of the proposed rule or rule amendment.
- (3) Specifically identify whether the proposed rule or rule amendment is being adopted or amended to enable the state to obtain or maintain approval to administer and enforce a federal environmental law or to participate in a federal environmental program, whether the proposed rule or rule amendment is more stringent than its federal counterpart, and, if the proposed rule or rule amendment is more stringent, the rationale for not incorporating its federal counterpart.
- (4) Include with the proposed rule or rule amendment and rule summary and fiscal analysis required to be filed with the Joint Committee on Agency Rule Review information relevant to the previously listed requirements.

-
- (A) Were organizations that represent political subdivisions, environmental interests, business interests, and other persons affected by the proposed rule or amendment consulted? Yes**

Please list each contact.

The draft rules were sent out for a 30-day interested party comment period ending July 8, 2022. The rules were released to Ohio EPA's electronic interested parties list, posted on Ohio EPA's regulations website and shared with interested industry parties. A response to comments is available upon request.

- (B) Was documentation that is relevant to the need for, the environmental benefits or consequences of, other benefits of, and the technological feasibility of the proposed rule or amendment considered? Yes**

Please list the information provided and attach a copy of each piece of documentation to this form. (A SUMMARY OR INDEX MAY BE ATTACHED IN LIEU OF THE ACTUAL DOCUMENTATION.)

ORC 3704.03, various chapters of the Administrative Code, the Clean Air Act and comments from interested parties were used in rule development.

- (C) Is the proposed rule or rule amendment being adopted or amended to enable the state to obtain or maintain approval to administer and enforce a federal environmental law or to participate in a federal environmental program? Yes

Is the proposed rule or rule amendment more stringent than its federal counterpart?
No *Not Applicable*

- (D) If this is a rule amendment that is being adopted under a state statute that establishes standards with which the amendment is to comply, is the proposed rule amendment more stringent than the rule that it is proposing to amend? No
