Rule Title/Tag Line

Waste management - standards for small quantity handlers of universal waste.**RULE SUMMARY**1. Is the rule being filed for five year review (FYR)? **No**2. Are you proposing this rule as a result of recent legislation? **No**3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**4. Statute(s) authorizing agency to adopt the rule: **3734.12**5. Statute(s) the rule, as filed, amplifies or implements: **3734.12**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule accomplishes the required 5-year review of this rule.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule specifies the specific management requirements applicable to a small handler of universal waste. There are specific requirements for each type of universal waste.

This rule is rescinded, and is being replaced by a new rule having the same number. Because the rule is more than fifty percent amended, LSC requires that the rule be rescinded and proposed as a new rule.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule contains referenced materials which may include federal statute, federal regulation, government documents, private documents, or references to other Ohio Administrative Code (OAC) rules. All these materials are generally available on the worldwide web, through libraries, or from other sources. Ohio Revised Code (ORC) 121.75 (A), (D), and (E) exempt federal codes, a regulation in the Code of Federal Regulations, and generally available text or other material from the requirements of ORC 121.71 to 121.74. All citations in this rule that meet the definition of a rule by reference, their dates, and their availability are listed in OAC rule 3745-50-11 titled Incorporated by reference. ORC sections and OAC rules that meet the definition of a rule by reference are generally available to the public either online or through libraries. Additionally, ORC 121.76(A)(1) and (A)(3) exempt such sections and rules from the requirements of ORC 121.71 to 121.75.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This rule does not incorporate any text or other material by reference that is not exempted from compliance with sections 121.71 to 121.74 of the Revised Code.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

This rule does not incorporate any text or other material by reference that is not exempted from compliance with sections 121.71 to 121.74 of the Revised Code.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

The incorrect rule body was uploaded. No changes are being made, this rule is being rescinded.

12. Five Year Review (FYR) Date: **Exempt**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

Environmental Rule Adoption/Amendment Form

Pursuant to Am. Sub. H.B. 106 of the 121st General Assembly, prior to adopting a rule or an amendment to a rule dealing with environmental protection, or containing a component dealing with environmental protection, a state agency shall:

- (1) Consult with organizations that represent political subdivisions, environmental interests, business interests, and other persons affected by the proposed rule or amendment.
 - (2) Consider documentation relevant to the need for, the environmental benefits or consequences of, other benefits of, and the technological feasibility of the proposed rule or rule amendment.
 - (3) Specifically identify whether the proposed rule or rule amendment is being adopted or amended to enable the state to obtain or maintain approval to administer and enforce a federal environmental law or to participate in a federal environmental program, whether the proposed rule or rule amendment is more stringent than its federal counterpart, and, if the proposed rule or rule amendment is more stringent, the rationale for not incorporating its federal counterpart.
 - (4) Include with the proposed rule or rule amendment and rule summary and fiscal analysis required to be filed with the Joint Committee on Agency Rule Review information relevant to the previously listed requirements.
-

(A) Were organizations that represent political subdivisions, environmental interests, business interests, and other persons affected by the proposed rule or amendment consulted? **Yes**

Please list each contact.

Nearly 4000 interested/affected parties were contacted via listserv to invite them to comment on the draft rules and inform them of the process that would be used by the agency to obtain input on this rule. In addition, the draft rules were posted on Ohio EPA's website along with an announcement of the opportunity to comment on the rules. Ohio EPA also met with the Ohio Manufacturers Association, the Ohio Paint Council, and an environmental consultant.

(B) Was documentation that is relevant to the need for, the environmental benefits or consequences of, other benefits of, and the technological feasibility of the proposed rule or amendment considered? **Yes**

Please list the information provided and attach a copy of each piece of documentation to this form. (A SUMMARY OR INDEX MAY BE ATTACHED IN LIEU OF THE ACTUAL DOCUMENTATION.)

The documents considered in the development of this rule include the Ohio Revised Code, particularly 3734.12, petitions for the addition of Ohio-specific universal waste to Ohio EPA's hazardous waste rules, universal waste rules from other states (Michigan, New Hampshire, Texas, and Colorado), types of aerosol container

puncturing units, and types of antifreeze recycling equipment. The information is attached to this package as attachment A.

- (C) Is the proposed rule or rule amendment being adopted or amended to enable the state to obtain or maintain approval to administer and enforce a federal environmental law or to participate in a federal environmental program? **No**

Is the proposed rule or rule amendment more stringent than its federal counterpart?

Not Answered

- (D) If this is a rule amendment that is being adopted under a state statute that establishes standards with which the amendment is to comply, is the proposed rule amendment more stringent than the rule that it is proposing to amend? **No**
