

3770:2-6-04

**Video lottery gaming operations; transportation, delivery, relocation and certification of video lottery terminals.**

- (A) Transportation of video lottery terminals. Prior to transportation of a video lottery terminal within or out of the state, the transporter shall provide notification to the director and obtain approval of the director. Notification and approval shall be provided and obtained in a manner determined by the director to be acceptable.
- (B) Delivery of video lottery terminals. No person shall deliver a video lottery terminal to a person or facility within the state until such time as a video lottery license, either conditional or otherwise, has been issued to the person to whom the video lottery terminals are being delivered.
- (C) Relocation of video lottery terminals within a video lottery agent's facility. Prior to relocating a video lottery terminal within a video lottery agent's facility, a video lottery agent shall provide notification to the director and obtain approval by the director. Notification and approval shall be provided and obtained in a manner determined by the director to be acceptable.
- (D) Certification of video lottery terminals shall be conducted by a person approved by the director to provide certifications of video lottery terminals and certification shall be provided to the director in a form acceptable to the director prior to video lottery terminals being offered for operation by participants.
