

3796:8-2-04

**Quantity of medical marijuana that may be purchased by a patient or caregiver.**

(A) A patient and a patient's caregiver(s) may collectively purchase no less than a whole day unit at a single time. A whole day unit shall equal the following amounts for each authorized form of medical marijuana:

- (1) One-tenth of an ounce (two and eighty-three hundredths grams) of plant material;
- (2) Two-hundred ninety-five milligrams of THC contained in a patch, lotion, cream, or ointment;
- (3) One hundred ten milligrams of THC contained in an oil, tincture, capsule, or edible for oral administration;
- (4) Five hundred ninety milligrams of THC contained in oil for vaporization.

(B) A patient and the patient's caregiver(s) may collectively purchase, within a ninety-day period, no more than a ninety-day supply. A ninety-day supply may consist of multiple forms of medical marijuana, but the total ninety-day supply shall not exceed a ninety-day supply whether purchased as a single form or aggregated across forms. A ninety-day supply is defined by form as follows:

- (1) Plant material:
  - (a) No more than eight ounces (two hundred twenty-six and eight-tenths grams) of tier I medical marijuana;
  - (b) No more than five and three-tenths ounces (one hundred fifty and three-tenths grams) of tier II medical marijuana.
- (2) No more than twenty-six and fifty-five-hundredths grams of THC content in patches for transdermal administration or lotions, creams, or ointments for topical administration;
- (3) No more than nine and nine-tenths grams of THC content in oil, tincture, capsule, or edible form for oral administration;
- (4) No more than fifty-three and one-tenths grams of THC content in medical marijuana oil for vaporization.

(C) Notwithstanding paragraphs (A) and (B) of this rule, a patient who is diagnosed with a terminal illness and the patient's caregiver(s) may collectively purchase, within a ninety-day period, no more than a ninety-day supply. A ninety-day supply may consist of multiple forms of medical marijuana, but the total ninety-day supply shall not exceed a ninety-day supply whether purchased as a single form or aggregated across forms. A ninety-day supply is defined by form as follows:

(1) Plant material:

(a) No more than ten ounces (two hundred eighty-three and five-tenths grams) of tier I medical marijuana;

(b) No more than six and six-tenths ounces (one hundred eighty-seven and one-tenths grams) of tier II medical marijuana.

(2) No more than thirty-three and three-tenths grams of THC content in patches for transdermal administration or lotions, creams, or ointments for topical administration;

(3) No more than eleven and seven-tenths grams of THC content in oil, tincture, capsule, or edible form for oral administration;

(4) No more than sixty-five and seven-tenths grams of THC content in medical marijuana oil for vaporization.
