Rule Title/Tag Line

Title insurance controlled business arrangements.**RULE SUMMARY**1. Is the rule being filed for five year review (FYR)? **Yes**2. Are you proposing this rule as a result of recent legislation? **No**3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**4. Statute(s) authorizing agency to adopt the rule: **3901.041**5. Statute(s) the rule, as filed, amplifies or implements: **3953.21**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being filed as part of the agency five year rule review pursuant to section 119.03 of the Revised Code.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule establishes ownership and licensing standards for title insurance agents and agencies in accordance with division (B) of section 3953.21 of the Revised Code, which prohibits certain persons from acting as agents for a title insurance company.

Amends by striking paragraph (H), which states that the application of paragraph (D), which does not allow a business entity title insurance agent (agency) from being controlled by a prohibited person pursuant to division (B) of section 3953.21 of the Revised Code, only applies to business entity agents license after the original effective date of the rule. The 2010 amendments to section 3905.06 of the Revised Code requiring renewal of an Ohio insurance agent license changed the license from one held in perpetuity to one for a specified term of two years, with each renewal being considered a new license. Rule 3901-7-04 of the Administrative Code was enacted prior to the license renewal requirement. Now that each renewal license is considered a new license, paragraph (H) is meaningless.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:
