6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

In late 2010 the Bureau adopted rule OAC 4123-6-21.2, which created a stand-alone pharmacy and

therapeutics (P&T) committee. This committee makes recommendations regarding pharmacy issues directly to the Administrator. At this time the Bureau proposes a revision to that rule.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

Unlike the rule defining the membership of the Bureau's Health Care Quality Assurance Advisory

Committee, the current P&T Committee rule does not mention the Industrial Commission's (IC)

Chief Medical Officer as a non-voting member of the committee. The Bureau believes that the addition

of the IC Chief Medical Officer to the P&T Committee will improve both the committee's depth of

clinical expertise as well as its operational effectiveness.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously

filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. Five Year Review (FYR) Date: **8/25/2020**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
