6. **What are the reasons for proposing the rule?**

   The Bureau proposes to revise the formulary appendix to this rule by amending coverage to the drug products listed in the formulary. These proposed changes are the result of recommendations from the Bureau's Pharmacy & Therapeutics Committee (P&T). These revisions reflect the Bureau's dedicatition to providing for appropriate care while ensuring the safety of our injured workers. The committee's recommendations resulted from consideration of current literature,
   accepted treatment guidelines and best clinical practice as well as FDA and information published by the drug manufacturers.

7. **Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

   This rule establishes the outpatient medication formulary list of drugs approved for reimbursement when prescribed to treat conditions allowed in a claim filed by an injured worker. The proposed changes to the formulary listed in the Appendix of the rule are additions and deletion of medications approved for reimbursement when prescribed to treat conditions allowed in a claim.

12. **What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?**

    The prescriber and pharmacy business communities are the only two business communities involved with medication prescribing and dispensing and affected by this rule. There should be no negative financial impact on the prescriber community as any necessary changes to the injured worker's drug regimen should be done in the

context of routine office visits. Any prescriptions that result from the changes in the drug regimen would continue to be processed by a pharmacy.

13. **Does the rule increase local government costs? (If yes, you must complete an RSFA Part B).** No

14. **Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C).** No
